AHF Financial Audit Report External Audit 2021 by PKF International

**INSANI ŞAM DERNEĐİ
(SHAM)
31 DECEMBER 2021**

**FINANCIAL STATEMENTS AND
INDEPENDENT AUDIT REPORT ON
FINANCIAL PERIOD**

INDEPENDENT AUDITOR'S REPORT

To the Board of **INSANI ŞAM DERNEĞİ (SHAM)**.

1) Unqualified Opinion

We have audited the accompanying financial statements (**SHAM**), ("Association") which comprise the statement of financial position as of 31 December 2021 and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements comprising a summary of significant accounting policies.

In our opinion the financial statements present fairly, in all material respects, the financial position of the Association on 31 December 2021, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS).

2) Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the International Ethics Standards Board for Accountants of Ethics for Professional Accountants (IESBA) together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3) Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Association management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

4) Key Control Subjects

It was decided that we did not have a key audit issue to report in our report.

5) Auditor's Responsibilities for the Audit of the Financial Statements

Responsibilities of independent auditors in an independent audit are as follows:

Our aim is to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an independent auditor's report that includes our opinion. Reasonable assurance expressed because of an independent audit conducted in accordance with IFRS is a high level of assurance but does not guarantee that a material misstatement will always be detected. Misstatements can arise from fraud or error. Misstatements are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these financial statements.

Reşitpaşa Mahallesi Etiler Büyükdere Cad.
No: 1-11/ç Kapı No: 16 Sarıyer / İSTANBUL
Maslak V.D.:007 051 1435

As part of an independent audit conducted in accordance with IFRS, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement in the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Assess the internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our independent auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Association to express an opinion on the financial statements. We are responsible for the direction, supervision, and performance of the Association audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence. We also communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The engagement partner who supervised and concluded on this independent auditor's report is Abdulkadir SAYICI.

THE ORGANISATION AND ACTIVITIES

Al-Sham Humanitarian Foundation was established in 2011, in Istanbul, and we officially registered in Turkey in 2013. The Foundation is keen to meet humanitarian needs by implementing projects and humanitarian services for the most vulnerable groups in Syria and Turkey.

AHF provides humanitarian services and development programs in both Syria and Turkey. AHF is working in northwest of Syria in Idlib, Aleppo countryside, and Tal Abyad in Raqqa. AHF works in the following sectors: health and nutrition, food security and livelihoods, early recovery, protection, shelter, and non-food items. In Turkey, AHF focuses on the protection and early recovery sectors through refugee women empowerment projects using several intervention mechanisms, like in-kind, cash, and vouchers.

AHF is a strategic partner for SCHF and other UN agencies such as UNICEF, WHO, IOM, and WFP, in addition to having other partnerships with INGOs like World Vision International, GIZ, MSF -Spain, GOAL and SV. To increase the effectiveness and coordination of the response, AHF is a member of several coordination bodies, such as the NGO Forum, ICVA network, CHS Alliance, and NEAR Network, and is a co-founder of the Syrian NGO Alliance (SNA).

It has qualified cadres, highly experienced staff in the humanitarian sector, and a solid and organized structure in various departments and technology based on the best international and humanitarian standards.

2. BASIS OF PRESENTATION

Applied Financial Reporting Standards

The Association keeps its financial records in Turkish lira ("TL") and in line with the code of commerce and applicable legislation that is in force in Turkey. In late 1992 the Ministry of Finance published a communique that covered all corporations (other than financial corporations) that keep their accounting records on a balance sheet basis. This communique requires that, as from 1994, these corporations prepare their financial statements in a standard manner using a uniform chart of accounts and certain fundamental accounting and reporting concepts. This communique also stated that the referred fundamental accounting concepts would later be complemented with accounting standards to be published in the future.

Financial statements have been prepared in keeping with the International Financial Reporting Standards ("IFRS") published by the International Accounting Standards Board ("IASB").

The financial statements the Association publishes comply with the provisions of the Law on Associations and the requirements of the Uniform Chart of Accounts published by the Ministry of Finance, and its financial statements are prepared in accord with the following accounting policies. The financial statements have been prepared by reflecting on the statutory records prepared according to the historical cost principle the necessary correction and classification records required by the IFRS.

Offsetting

Financial assets and financial liabilities are offset, and the net amount presented in the statement of financial position when, and only when, the Association currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

Comparative Information and Previous Periods Adjustments

For conducting a comparison of financial position and performance trend, Association's current financial statements are prepared comparative with previous periods. Comparative information is reclassified to be compatible with the presentation of current financial statements, when necessary.

Going concern

The Association prepared financial statements in accordance with the going concern assumption.

PKF ADAY BAĞIMSIZ DENETİM
ANONİM ŞİRKETİ
Reşitpaşa Mahallesi Akı Kınıkdere Cad.
No:14 Kat:No:10 Şişli İSTANBUL
Mersis No: 007 051 1435

foreign currency

Transactions in foreign currencies are recorded in US dollars at the exchange rates prevailing on the date of each transaction. Assets and liabilities in foreign currencies at the end of the financial year are converted into US dollars at the exchange rates prevailing on that date. The currency differences resulting from the conversion are taken to the comprehensive statement of income and expenses.

Important Accounting Policies

Cash and Cash Equivalents

Cash and cash equivalent values contain cash on hand, bank deposits and high liquidity investments. Cash and cash equivalents are shown with obtaining costs and the total of accrued interests.

Tangible Fixed Assets and Amortizations

Property, plant, and equipment are carried at cost less accumulated depreciation. Depreciation is provided for property, plant, and equipment on a straight-line basis over their estimated useful lives. Land is not depreciated as it is deemed to have an indefinite useful life. Gains or losses on disposals of property, plant and equipment are determined by comparing proceeds with their net carrying amounts and are classified under "gains/losses" in the current period.

Tangible fixed assets except lands, buildings are carried at cost, restated by deduction of the yearly accumulated depreciation.

Land and buildings are valued for their fair values. Borrowing costs are recognized in accordance with TAS-23 as an element of the book value of assets that are manufactured by the entity. Entities may subject their tangible assets to revaluation. Depreciation is calculated on a straight-line basis over the adjusted amounts and at the rates that reflect the economic useful lives of the following assets. Land is considered as limitless useful life, so it is not subject to depreciation. Expected useful life, residual value and amortization method are reviewed for possible effects of changes in estimates and are accounted for prospectively if there is a change in estimates.

The depreciation rates for property, plant, and equipment, which approximate the useful economic lives of these assets, are as follows:

PKF ADAY BAĞIMSIZ DENETİM
ANONİM ŞİRKETİ
Reşitpaşa Mahallesi Etiler Sokakı No:14
No:14 İç Kapı No:10 Sarıyer / İSTANBUL
Müşak V.D.:007 051 1435

Useful Life

Buildings	20 years
Motor vehicles	5 years
Furniture, fixtures, and office equipment	3-5 years
Electronic devices	5 years

Revaluation Model

Land or buildings that are held for production or use for goods or services or for administrative purposes are expressed with their re-valued amounts. The re-valued amount is determined by deducting accumulated depreciation and accumulated deprecation in the next periods from the fair value at the revaluation date.

Revaluations are carried out at regular intervals, such that the fair value to be determined at the balance sheet date does not differ materially from the

carrying amount. If the book value of an asset has increased because of revaluation, the increase is recognized in other comprehensive income and is directly attributable to revaluation value increase in the equity account group. However, a revaluation value increase is recognized at the scale which it reverses the revaluation value associated with the previous profit or loss of the same asset. If the book value of an asset decreases because of revaluation, the decrease is recognized as an expense.

Intangible Fixed Assets

Intangible fixed assets comprise of rights, and they are recorded at acquisition cost. Intangible fixed assets are amortized on a straight-line method with prorate basis over period of between 3-10 years from the date of acquisition.

Receivables

Receivables are presented at their realizable value, which is derived from their net realizable value by deducting provisions for probable doubtful receivables.

Payables

Payables refers to the payments to be made for goods and services provided from suppliers within ordinary activities. Payables are measured first in their fair value and then at their amortized cost, which is calculated by the effective interest method.

PKF ADAY BAĞIMSIZ DENETİM

ANONİM ŞİRKETİ

Reşitpaşa Mahallesi, Fıstıközü Cad.
No:14 İç Kapı No:10 Şişli / İSTANBUL
Maaşlak V.D.:007 051 1435

Inventory

In-kind donations are shown according to their fair value on the date of receipt.

Donations and Grants

All kinds of donations and grants from natural or legal persons are recorded as income. Non-cash donations and grants are evaluated according to the relevant legislation and recorded.

revenue recognition

Unrestricted donations:

Cash income is recognized when it is received. Revenues from in-kind donations are recognized upon receipt according to their estimated value.

Restricted donations:

Restricted donations are those donations received from other parties, cash or in-kind donations, which must be used by the Foundation for the purposes and objectives for which the donation was made. These donations are shown under "restricted donations" in the statement of assets and liabilities when received or when due and are recognized in the statement of activities when they are implemented.

When the restricted donations are disbursed according to the specific purposes, the income and expense are included in the comprehensive income and expenses statement under the headings "project income - restricted" and "project payments - restricted" respectively.

The Foundation deducts an administrative percentage from the value of the registered donations upon implementation, in return for the Foundation's expenses and various obligations, and this percentage varies according to the contract concluded between the donor and the Foundation. This deduction is shown in comprehensive income and expenses.

Effects of Change in Currency Rate

Assets and liabilities in foreign currency and purchase and sale commitments create exchange risk. Foreign exchange risk stemming from depreciation or appreciation of foreign currency managed by top management by following the currency position of Association and taking position according to approved limits.

Accounting Estimates

The accompanying financial statements necessitate that some predictions about income and expenses regarding possible assets and liabilities in the financial statements prepared by the Association management to be compatible with statements required by Public Oversight Accounting and Auditing Standards Authority. Realized amounts can differ from the predictions.

These predictions are observed regularly and reported periodically in income statements.

3 Events occurring after the balance sheet ends.

The information flow that provides information about the information about the realized subsequent events (games) are reflected in the related financial statements. Events that do not require correction are explained in footnotes if they have a certain importance.

RIGHT OF USE ASSETS

The Association has adopted the TFRS 16 "Leases" as of 1 January 2019 for the first time. Right of use assets and Deliverables from subleases are measured at an amount equal to lease liability adjusted by the amount of any prepaid or Freud lease payments for lease liabilities which had previously been classified as "operating leases" under the Caples of TAS 17 in the condensed financial statements.

The movement table of the right of use assets as of 31 December 2020 is as follows.

Cost	Buildings	Total
01 JANUARY 2021 balance	792,148	792,148
Addition	-	-
Disposals	-	-
31 December 2021 balance	792,148	792,148
		-
Accumulated depreciation		-
01 JANUARY 2021 balance	(327,035)	(327,035)
Addition	(135,071)	(135,071)
Disposals		-
31 December 2021 balance	(462,106)	(462,106)
31 December 2022 balance	330,042	330,042

Short-Term Provisions for Employee Benefits

There is no provision for unused leave. (31 December 2020: None).

Long-Term Provisions for Employee Benefits

	31 December 2021	31 December 2020
Severance pays provision	221,179	99,638
Total	221,179	99,638

Under labor laws effective in Turkey, it is a liability to make legal retirement pay to employees whose employment is terminated in such way to receive retirement pay. In addition, according to Article 60 of Social Security Law numbered 506 which was changed by the laws numbered 2422, dated 6 March 1981, and numbered 4447, dated 25 August 1999, it is also a liability/ to make legal retirement pay to those who entitled to leave their work by receiving retirement pay.

The compensation to be paid is equal to one month's gross salary for each year of service and this amount is 8.284.51as of 31 December 2021. It is limited to TL (31 December 2020: 7.117TL). Severance pays liability is not legally subject to any funding.

The provision for severance pays represents the present value of the estimated total provision for the probable future liabilities arising from the retirement of the personnel. In the scope of TAS 19 ("Employee Benefits"), the provision for severance pay is calculated by estimating the present value of the future probable obligation of the employees arising from their retirement. It envisages that the obligations of the Association will be developed using actuarial valuation methods within the scope of defined benefit plans. All actuarial gains and losses are recognized in equity as other comprehensive income.

The basic assumption is that the ceiling liability determined for each year of service will increase in line with inflation. Thus, the discount rate applied represents the expected real rate after adjusting for the expected effects of inflation.

Accordingly, the actuarial assumptions used in the calculation of total liabilities are as follows:

	31 December 2021	31 December 2020
Discount rate	14.75%	15.75%
Inflation rate	36.80%	14.60%
Net discount rate	-22.05%	1.15%
Real salary increase rate	36.80%	14.60%
Possibility of leaving the work due to severance pay	100.00%	100.00%
Severance pays limit	8.284.51	7.117

AI-SHAM ACTIVITIES 2021

Al-Sham Humanitarian Foundation is a non-profit, non-governmental organization, established in 2011 in response to the Syrian humanitarian crisis, and officially registered in Türkiye in 2013. The organization works to meet people's humanitarian needs by implementing projects and humanitarian services for the most vulnerable groups in Syria and Türkiye. It has a team of highly experienced employees qualified in the humanitarian sector, in addition to a strong, organized structure, with technology based on the best international and humanitarian standards.

Vision:

To be one of the most effective and distinguished Organization in enabling the Syrian society to make it more stable and sustainable.

Mission:

We contribute to providing humanitarian services and social development programs to build and empower the Syrian society with institutional competence and effective partnership.

Values:

Quality - Teamwork - Initiative – Reliability

Main Objectives:

- ✓ Working within rational institutional effectiveness.
- ✓ Empowering Syrian civil society with all its civil components.
- ✓ Contributing to achieving community development and security.
- ✓ Achieving stakeholder requirements and satisfaction.

Sectors

Health and Nutrition Sector

This program focuses on improving medical and health care services in Syria by supporting primary healthcare centers. With regards to Secondary Health Care Services, the organization also funds several specialized hospitals including Al-Sham Specialized Pediatric Hospital in Sarmada, north Idleb, and Al-sham Medical Complex in Sijo, west Aleppo, in addition to a number of high-quality projects such as the Prosthetic limbs and Physiotherapy center in north Idleb. In cooperation with partners, Al-Sham Foundation participated in responding to the covid-19 Pandemic by building Al-Sham Isolation Hospital and establishing community treatment centers in Marat Misrin and Harem in rural Idleb. AHF paid particular attention to nutrition projects and vaccination campaigns conducted by elite teams, who always adopt a continuous improvement principle for the quality of medical services provided.

Number of beneficiaries	340,000
Children	229,000
Female	76,000
Male	35,000

Food Security and Livelihoods Sector

This program supports sources that secure food and preserve nutritional balance, after things worsened in northern Syria. This is done by funding several bakeries and mills in addition to "Wheat Value Chain" and seasonal projects as well as urgent food response.

Number of Beneficiaries	98,700
Children	53,500
Female	25,000
Male	20,100

Protection Sector

The program concentrated on planning and implementing protection activities to amend individuals' psychology and requalify them for a new phase following the harsh years of war and besiegement. This was possible by delivering quality services through experienced psychologists, the program adequately integrated the highly vulnerable and psychologically taunted people back into society. It paid significant attention to Orphan sponsorship projects by providing cash donations and meeting their needs to continue their education successfully.

Total number of beneficiaries	17,100
Children	7,000
Female	7,600
Male	2,600

Shelter and Non-Food Items Sector

Due to the continuity of war in Syria, the state of emergency and the instability, AHF's emergency projects provide urgent humanitarian assistance to enhance the resilience of the Syrian community. These projects also aim to support the affected in times of crisis or displacement to reduce their suffering by covering their essential daily needs including clothes, heating, and hygiene supplies. The activities of this sector focus on the IDP camps in northern Syria.

Number of Beneficiaries	29,000
Children	27,200
Females	820
Males	969

Early Recovery Sector

This program implements projects to help people move from being dependent on humanitarian aid to self-sufficiency. It enables them to spin the wheel of development and self-reliance, which enhances their resilience, rebuild capacities, and increases societal impact.

Number of Direct Beneficiaries	750
Number of Indirect Beneficiaries	100,000
